

DECLARATIONS AND UNDERTAKINGS (Ireland)

I hereby state that I have read the documents relating to the ESP 2024 offer reserved for employees, which gives me the possibility to invest my Global Incentive Plan in OVHcloud shares through the FCPE "OVHcloud Shares", and in particular, the presentation of the Offer on the website, the regulations and the Key Information Document ("KID") of the FCPE "OVHcloud Shares" as well as the rules of the OVHcloud international group savings plan (*Plan d'Epargne de Groupe International* or "PEGI") made available to me on the website <https://esp.ovhcloud.com/>.

By validating my participation to ESP 2024, I agree with the declarations and undertakings below and I decide to invest in OVHcloud shares through the FCPE "OVHcloud Shares":

Eligibility

ESP 2024 offer is reserved for employees who are eligible to the OVHcloud Group Global Incentive Plan with respect to the financial year ended on 31 August 2024, i.e., employees who have been employed by the group during more than 3 months on 31 August 2024, on a continuous or discontinuous basis, and who are still on employment on 1 January 2025. If your employment terminates prior to 1 January 2025, you will no longer be entitled to the Global Incentive and your participation to ESP 2024 will be cancelled.

Your investment is made within the framework of the OVHcloud international group savings plan (PEGI). If you are not already a member, your participation to ESP 2024 implies membership to the OVHcloud's PEGI.

The subscription to the FCPE's units is not open to residents of the United States of America. Additional information is provided in the regulation of the FCPE "OVHcloud Shares".

Specific restriction: Pursuant to provisions of Regulation (EC) n°833/2014 and Regulation (EC) n°765/2006, as amended, ESP 2024 offer is not made to Russian nationals and persons residing in Russia, nor to Belarussian nationals and persons residing in Belarus, except (i) in case of Russian nationals, if those persons are nationals of a EU Member State, of a country member of the European Economic Area or Switzerland, or have a temporary or permanent residence permit in a EU Member State, a country member of the European Economic Area or in Switzerland and (ii) in case of Belarussian nationals, if those persons are nationals of a EU Member State or have a temporary or permanent residence permit in a EU Member State. You confirm that this restriction does not apply to you.

No person will be entitled as of right to participate in ESP 2024 offer or the OVHcloud Group Global Incentive Plan and the decision as to who will have the opportunity of participating and the time and extent of your participation will be made by OVHCloud in its absolute discretion. Neither the ESP 2024 offer or the OVHcloud Group Global Incentive Plan, nor any action taken thereunder, will be construed as giving you a right to be retained in the employment of the OVHCloud Group. You will not be entitled to any compensation or damages whatsoever or howsoever described, by reason of any termination, withdrawal or alteration of rights or expectations under the ESP 2024 whether such compensation is claimed by way of damages for wrongful dismissal or other breach of contract or by way of compensation for loss of office or otherwise howsoever.

Acquisition price

The Global Incentive increased by the matching contribution will be processed at the Net Asset Value of the units of the FCPE "OVHcloud Shares" on 15 January 2025. The FCPE's net asset value is calculated based on the opening market price of the OVHcloud share on that same date and is close to this market price.

The number of FCPE units that will be allocated to you will be known once the transaction is completed, based on the amount of the Global Incentive that you elected to invest, the amount of the related matching contribution and the net asset value of the units of the FCPE "OVHcloud Shares" on 15 January 2025.

If you elected to invest in ESP 2024 part but not all of your Global Incentive, the difference will be paid to you in January 2025 with the salary payment.

Matching contribution

For the part of the Global Incentive invested in ESP 2024, you benefit from a matching contribution at the rate specified in the presentation of the Offer on the website, which increases the total amount of your investment in OVHcloud shares through the FCPE "OVHcloud Shares".

The matching contribution may be subject to taxes and social contributions. Information on applicable taxation is provided in the "Country datasheet".

Lock-up period

The FCPE "OVHcloud Shares" units that will be allocated to you following your election to participate to ESP 2024 will be subject to a lock-up period of five years, subject to early exit events indicated in the "Country datasheet".
